

January, 2010

Dear SHS 1960 Classmate,

Several months have passed since we last wrote to you. It has been a productive time for the reunion committee with regard to planning. At this point we have heard back from 64 members of the class of 1960, 57 of whom hope to be at our fifty-year gathering. Thank you for responding! If you haven't yet given us a reply, please take a moment to do so before this week is done by filling in the basic information on the form below or calling one of the committee members. Knowing your thoughts and/or plans will be helpful!

A main concern for us is our inability to locate a few of our fellow students from Sacred Heart. Perhaps you can help us find someone on the list so that we can make contact. The women's married names are what we believed to be accurate 10 years ago.

We promised to look for lodging deals for those who will be here from out of town and still plan to do so. If we can be helpful to you in some other way, too, please let us know.

We are very much looking forward to an evening of re-acquaintance and reminiscence next summer when we celebrate the passage of 50 years since graduation. The details again – the Class of 1960 50-year Reunion, Saturday, August 7, 2010, 7 PM to midnight, Park Place (near Michigan Ave. and Outer Drive), Dearborn. Hope to see you there!!

Dear _____, Member of the SHS Class of 1960,

Plans are under way for a gathering to celebrate the 50 years that have passed since we attended Sacred Heart High. Our own reunion will coordinate, calendar-wise, with the City of Dearborn's Homecoming Weekend, August 6-8, 2010.

We have reserved a nice Dearborn banquet facility for the evening of Saturday, August 7. Park Place is conveniently located near Michigan Avenue and Outer Drive. Several of us on the committee have attended functions there through the years and have found the food to be of high quality and the service commendable. The space will provide plenty of room for socializing. We're leaning towards a buffet or hot and cold finger foods, rather than a sit-down dinner, in order to make visiting easier among all those who attend.

We'll be looking into the possibility of discounted hotel/motel rates for those coming in from a distance. Information will be shared with you once we have it.

You've changed too much to do this, you think? Haven't we all!! Time has seasoned us, physically and spiritually, in many different ways. No one will be there to judge – no prizes given for best-preserved. Please, just plan to come and to share your company with friendly folks from the past!

We ask you to let us know your best guess at this time about your attendance at the reunion next August 7. Please fill in and return the form below to:

The more we know about attendance early on, the easier it will be to make it all work smoothly. We are very much hoping to see YOU at this momentous event!!

Sincerely,

The SHS Class of 1960 reunion committee
