

Greetings Classmates!

This year the Sacred Heart Class of '64 will BE 64! OMG! Where did that time go? Some of you mentioned at our 45th reunion last year that we should recognize this milestone with a big celebration. Well...my brother, Jerry, has put together a Las Vegas trip for October 20-26, 2010. (His note with details is attached - look for page 2). We're hoping to get a great turn-out. The room rates are incredibly inexpensive. But, as he said, you're on your own for flight arrangements. Come for the whole time, or just come for the weekend. Whatever you can manage. But, this is your only chance (in this lifetime) to be able to celebrate this unique milestone.

This note is being sent to attendees of our 45th reunion last August. If there is anyone else from our class who you think may be interested, please forward this message to them.

It would be great to know who plans to join us. So, please respond to this E-Mail or to Jerry at pnjpazdan@msn.com.

Hope to see you in October!

LOST WAGES HERE WE...I mean Las Vegas here we come. Hi Folks!

A number of people asked me to get working on a Vegas trip, so here it is.

I've booked 25 rooms at the Imperial Palace between Wednesday night 10-20-2010 and Tuesday night 10-26-2010. I picked the Imperial Palace because it's located at the center of the strip, it has a people mover stop out its back door, and is small enough to meet or find someone in their casino. The rooms are all deluxe rooms and in the casino proper - not in the annex. You can specify double queens or king beds, smoking or non-smoking. The rooms are being held for us until 9-10-2010. Any non-booked rooms will go off reserve as of 9-10-2010 along with our discount pricing. You can book any or all of the days indicated below at the pricing indicated. Please verify your pricing when booking your room. You'll be asked for group name and group code when booking so have these numbers available.

Group Name – JP64

Group Code – LI3JP60 (last digit is a zero)

Reservation phone # - 866-523-2781

	Tuesday Night	10-26-2010	\$25.00

Rates are per room and not per person.

I tried to reserve seats on both Delta and Spirit airlines and they both laughed at me, so you're on your own for flights. At this point Spirit has the best pricing and flight times. Good Luck.

Hope to see you there. If you have any questions give me a call. I won't guarantee an E-mail response.

Sincerely,

Lucky JP
