Do's and Don 'ts of the Upcoming Census

10 a.m. – Wednesday, February 24

Senior Center at the Ford Community and Performing Arts Center

Stop by for a very informative session focusing on the importance of completing your Census form listing Dearborn as your residence, even if you go to Florida in the winter and spring when forms are delivered. Some safety tips that will be covered are:

- Don't answer questions from people claiming to be Census workers over the phone or Internet.
- Census workers will not ask to enter your home.
- Census workers will NOT offer to help you complete your Census form.
- If you complete and mail the form, a Census worker will NOT come to our door to ask questions Census workers have identification.
